

Literacy:

Key grammar focus areas:

- Active vs reported speech
- How to use paragraphs
- Commas

We will also be closely analysing and discussing reading comprehensions.

The first three weeks we will be focusing on journalistic writing: the style, fact vs opinion, sub text and viewpoint/bias.

The final three weeks will be a revision unit on fictional writing.

Maths:

The children will continue to be tested their times tables as well as Big Maths questions on a weekly basis and then we will continue to go through a question at a time in the following maths lessons as starters.

We will also be regularly practising SATs questions as part of our everyday maths lessons.

It would be helpful if all the children wore a watch as on a number of occasions I will ask them time related questions.

Mrs Brown will be covering my PPA time and will be teaching Maths and Literacy

Spring Term 2 2014 **The age of inventions**

RE:

How can we make Wiltshire/ my town a more respectful place?

During this unit we will be designing a spiritual garden for the school

Science: Electricity

Representing and building circuits

Topic:

The children will look at a timeline of the history of inventions and will identify key inventions that have changed the world. They will learn about the following famous inventors: Alexander Graham Bell: Telephone, Henry Ford: Assembly line and the Model T (the first popular car to be sold to many people), the Wright brothers: Airplane and Thomas Alva Edison: the light bulb.

We will also be inventing and making a vehicle for the future.

PE :

PE lessons will continue to be on a Monday and Wednesdays.

This term in PE we will be doing basketball and tag
