

Literacy:

We will be reading a version of the legend Robin Hood this term. The children will

- Understand that legends can tell us useful and interesting things about the past
- Make connections between Robin Hood, other legends they have read and their own experiences
- Identify how the author helps the reader to visualise the story using vivid imagery
- Understand what the character's actions might reveal about their motivations
- Retell the story of Robin Hood in the role of Sir Guy of Gisborne
- Learn how expanded noun phrases can create ambitious descriptions such as 'that worthless, thieving peasant'

PSHE: E-Safety

As more and more of the children are exploring the Internet, I have decided to have a number of lessons on using the Internet safely. These lessons will include:

- How to research using the internet
- How to communicate safely
- Learning that not all information on the internet is accurate
- Plagiarism
- Social networking

Spring Term 2 2015 Mountains

D/T:

In DT we will be exploring how bridges are built then building a prototype and evaluating it.

PE

A number of the children seem to have forgotten that we have PE on Mondays and Thursdays and their PE kit must be in on those days.

Topic-Mountains

- Finding out about where mountain ranges are in the world
- Learning about how mountains are formed
- The environment on a mountain
- The climate on a mountain
- Mountains as tourist destinations

Science:

Mrs Brown will continue to teach science on Wednesday mornings, the children will be finishing off their previous unit of work before moving on to evolution.

RE:

On Mondays we will be having Bible Explorer sessions with Shirley Cole. This will provide the children with a real engagement with the Bible and will be a lesson that we can continue and embed back in the classroom.
