

Topic

Develop further map and atlas skills to help analyse the differences in the human and physical geography of countries across Europe. Children will develop compass direction knowledge and use grid references when interpreting a range of maps.

What does it mean to European and British? What is Brexit and debate the value of leaving. How have relationships across Europe changed over the years.

Art

Gaudi- the work and Art.

Study of Paris a city of Art: Lino printing.

Sculpture: 3D art techniques

Looking at Degas and The Ballerinas.

Literacy

Playscripts

Children will study the playscript Father's Day, about step-sibling rivalry. The author uses a range of dramatic conventions to explore subtleties of character and the conflicting emotions experiences within families. Children will study the plot and sub-plot and dramatic convention. Elements of performance are also included. Children look at stages of development of a script, then go on to write an extra scene for a play.

Discussion texts

The non-fiction links to the fiction by exploring script forms such as broadcast scripts on non-fiction themes. Discussion texts are studied, looking at the conventions of oral debate. Children write a scripted speech and use it to debate whether junk food should be banned or not. They will write a discussion text.

Commas for clarity, meaning and avoiding ambiguity.

Mathematics

Place value, reading writing and comparing numbers including negative numbers up to 1,000,000 and Roman Numerals.

Marking Parallel and diagonal lines and understanding key vocabulary.

Looking at nets of 3d shapes, drawing accurately.

Converting between different units of measure. Recognising the different types of angle, knowing amounts of turn. Knowing about the measures of interior angles of triangles, quadrilaterals and circles (y6).

Y6: Features of circles, knowing the relationships between radius, diameter and circumference.

Multiplying and dividing by 10,100,1000

Securing known number facts, tables and number bonds, Estimating and checking.

Science:

Forces

Explain that unsupported objects fall towards the Earth because of the force of gravity acting between the Earth and the falling object. Identify the effects of air resistance, water resistance and friction, that act between moving surfaces. Recognise that some mechanisms, including levers, pulleys and gears, allow a smaller force to have a greater effect.

Europe

Autumn 1

Music

Great composers: Looking at classical musical development across the ages.

Don't stop belivin': Looking at music from the 70s and 80s.

MFL

Children will develop knowledge of some common European languages; French, German, Spanish.

Religious Education

How do Christians view God?

Look at the John's Gospel and interpret how this differs from other Gospels, using theological terms to express their interpretation. How is God celebrated in Christianity? How do Christians put their beliefs into practise?

Weigh up how biblical ideas about love, holiness or forgiveness relate to the issues, problems and opportunities of their own lives and the world today, developing insights of their own.
