**General Data Protection Regulations (GDPR) Compliance Consent Form**

At Morgan's Vale and Woodfalls Primary School, we sometimes take photographs of pupils. We use these photos on the school's website (including Facebook), on display boards around school, to keep in the School archives as a record of activities and events carried out by the School. The School will never put your child's name alongside a photograph so they can be identified from it.

We would like your consent to take photos of your child and use them in the ways described above. If you're not happy for us to do this, that's no problem – we will accommodate your preferences.

Please tick the relevant box(es) below and return this form to school.

- I am happy for the school to take photographs of my child.
- I am happy for photos of my child to be used on the school website (including Facebook).
- I am happy for photos of my child to be used in internal displays.
- I am happy for photos of my child to be used and kept for School archiving purposes
- I am **NOT** happy for the school to take or use photos of my child.

The School holds your email address to allow us to send you newsletters and information relating to the School diary. These email addresses are never released to a 3<sup>rd</sup> party and are only used internally by the School.

- I am happy for the School to hold my email address and use it for School communications

The School makes use of a number of educational apps and websites that require your child to have a personal login. The services we currently use of this kind are: 2Simple's 'Build a Profile', Andrell Education's Big Maths Online, EZ Education's Doodle Maths app, Read Theory, Seesaw: The Learning Journal, Spelling Shed.

- I am happy for my child to have a personal login or account for the above listed apps/websites
